MEMORANDUM FOR: Director of Personnel

SUBJECT : Proposal to Amend OPAG Charter

1. Our 13 February 1974 memorandum to you mentioned that OPAG wished to review our charter to determine if any changes were appropriate. After considerable discussion the membership voted to amend paragraph 3.A. to read as follows:

"All MP careerists, GS-09 through GS-13, are eligible for membership on the Advisory Group."

2. In eliminating the age and experience requirements OPAG believes that participation by a greater number of careerists will be encouraged.

3. Attached is a copy of the present OPN 20-73-7 and a draft of the notice announcing the Charter Amendment.
